1. A soft inquiry which is used to check your eligibility will not affect your credit score. A hard credit inquiry, which may affect that person's credit score, only appears on the person's credit report if and when an installment loan is issued to the person.

A representative example of payment terms is as follows: a borrower receives a loan of \$15,000 for a term of 60 months with an APR of 12.99%. In this example, the borrower will make 60 monthly payments of \$343.05. Loan amounts range from \$1,000 to \$65,000, and loan term lengths range from 24 months to 144 months. Some amounts, rates, and term lengths may be unavailable in certain states or with certain goods or service providers.

For Installment Loans, APR ranges from 0% to 30.99%. APRs are determined at the time of application. The lowest APR may be available to borrowers with excellent credit, subject to additional factors including, but not limited to, loan amount, loan term, and sufficient investor commitment. Advertised rates and fees are valid as of 01/01/2026 and are subject to change without notice.
